

JEFFERSON COUNTY HUMANE SOCIETY

ADOPTIONS BY APPOINTMENT ONLY

We will continue to offer the programs and services we feel we can safely provide, while minimizing the risk of spreading COVID-19. We will maintain social distancing and be vigilant about sanitizing.

- You can look at our animals on our website at jfcountypets.com. You can also look on the [Petfinder](#) link on website. We will do our best to update our animals daily.
- If you are interested in adopting, please fill out an adoption application on our website. You can list more than one animal.
- Once we receive your application, we will do the approval process and call or email you to set up an appointment. Appointments will be scheduled for one hour and only two people are allowed to come to the appointment. If you are applying for a dog and you have dog, we will ask you to bring your dog to meet the dog(s) you are interested in adopting.
- When you arrive for your appointment, please stay in your car and we will meet you outside. The gate will likely be closed, so you will need to open it and then shut it to enter the property.
- **Dogs:** we will bring the dog outside for your "meet and greet."
- **Cats:** we will escort you into the building for your "meet and greet."
- If you decide to adopt the pet, you will be able to take it home. It's important to be prepared to take the pet home so please schedule your appointment when you are prepared to take the pet home.

Fosters

If you are interested in fostering a dog or cat,
please email us at jfcountypets@gmail.com and we will send you an application and contact you.
It is important that any animals you currently have are spayed or neutered and current on vaccines.
Thanks for considering fostering!

Rabbit Adoptions

Please contact Kip Elliot at kipelliot@yahoo.com if you are interested in adopting a rabbit.
The veterinarian we are using for rabbit spays and neuters is postponing surgeries until at least May.
But we want these rabbits to get into homes so if the rabbit is not altered, we can do a foster to adopt. We will be setting up appointments at the shelter for rabbit adoptions.
Kip will contact you after an application is submitted to set up an appointment.

Bird Adoptions

Please contact Kip Elliot at kipelliot@yahoo.com if you are interested in adopting a bird.
We will send you an application and make arrangements for you to meet the bird(s).
